The addiction you don't want to fight

Issue 26, April 2011

Don't forget about this great event !

We are still working on putting this very worthwhile event together and I have high hopes for a successful outcome. If all goes well, this will certainly become an annual event.

Everyone is welcome to register and please pass this along to any person or company you think might want to help by becoming a sponsor or simply donating. Anyone can email me at 1010ths@zoomtown.com for details on sponsorships.

As we get closer, I have decided to dedicate this newsletter to the event.

The 10/10ths Home Page now has a link for individuals and/or companies to donate and/or sponsor this event.

As a parent of 3 handicapped children, I know and greatly appreciate the assistance we have been given over the years which has been invaluable to their ultimate success as adults. This event will help many other kids with needs assistance.
